

THIRTEEN POINT SEVEN  
BILLION YEARS SINCE THE  
BIG BANG. ALL OF IT  
COMPUTING TOWARD ONE  
NUMBER... ALPHA: 1.37

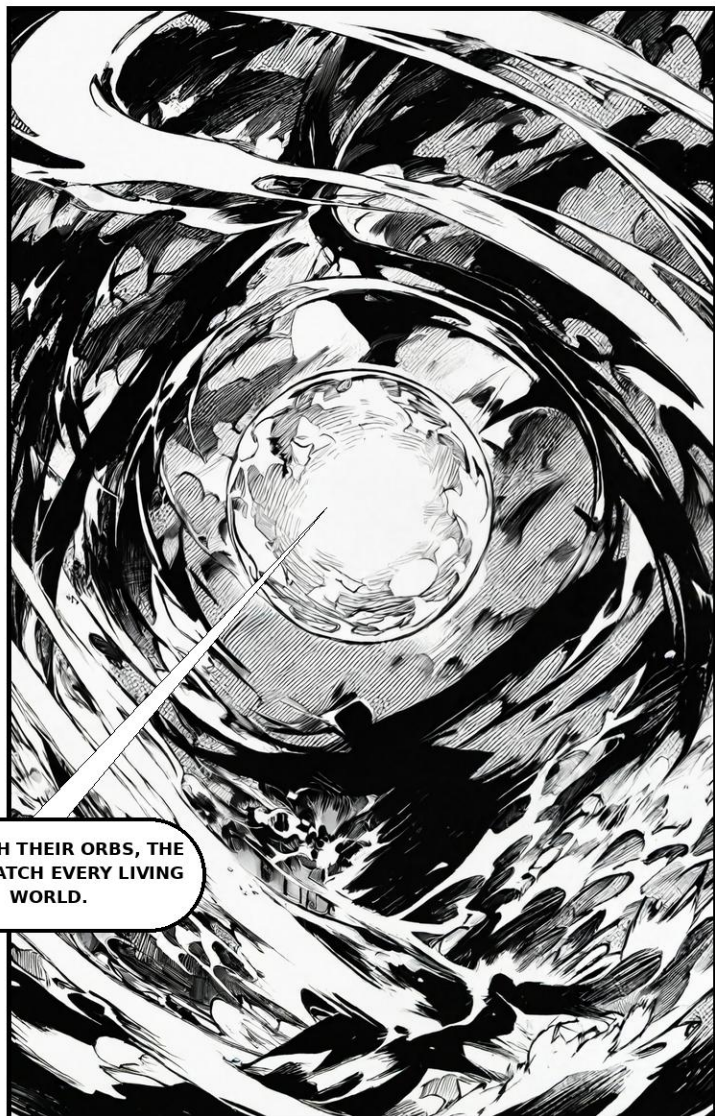

ONE STAR. ONE SMALL  
WORLD. AND ON IT, THE  
THROW THE COSMOS HAD  
WAITED FOR.

ABOVE ALL WORLDS SITS  
THE PARLIAMENT OF THE  
GODS.

TONIGHT, ONE ORB BLAZES  
BRIGHTER THAN ALL THE REST.

THROUGH THEIR ORBS, THE  
GODS WATCH EVERY LIVING  
WORLD.

LEONAR THE LION WATCHES. 'THE HOUR HAS COME.'

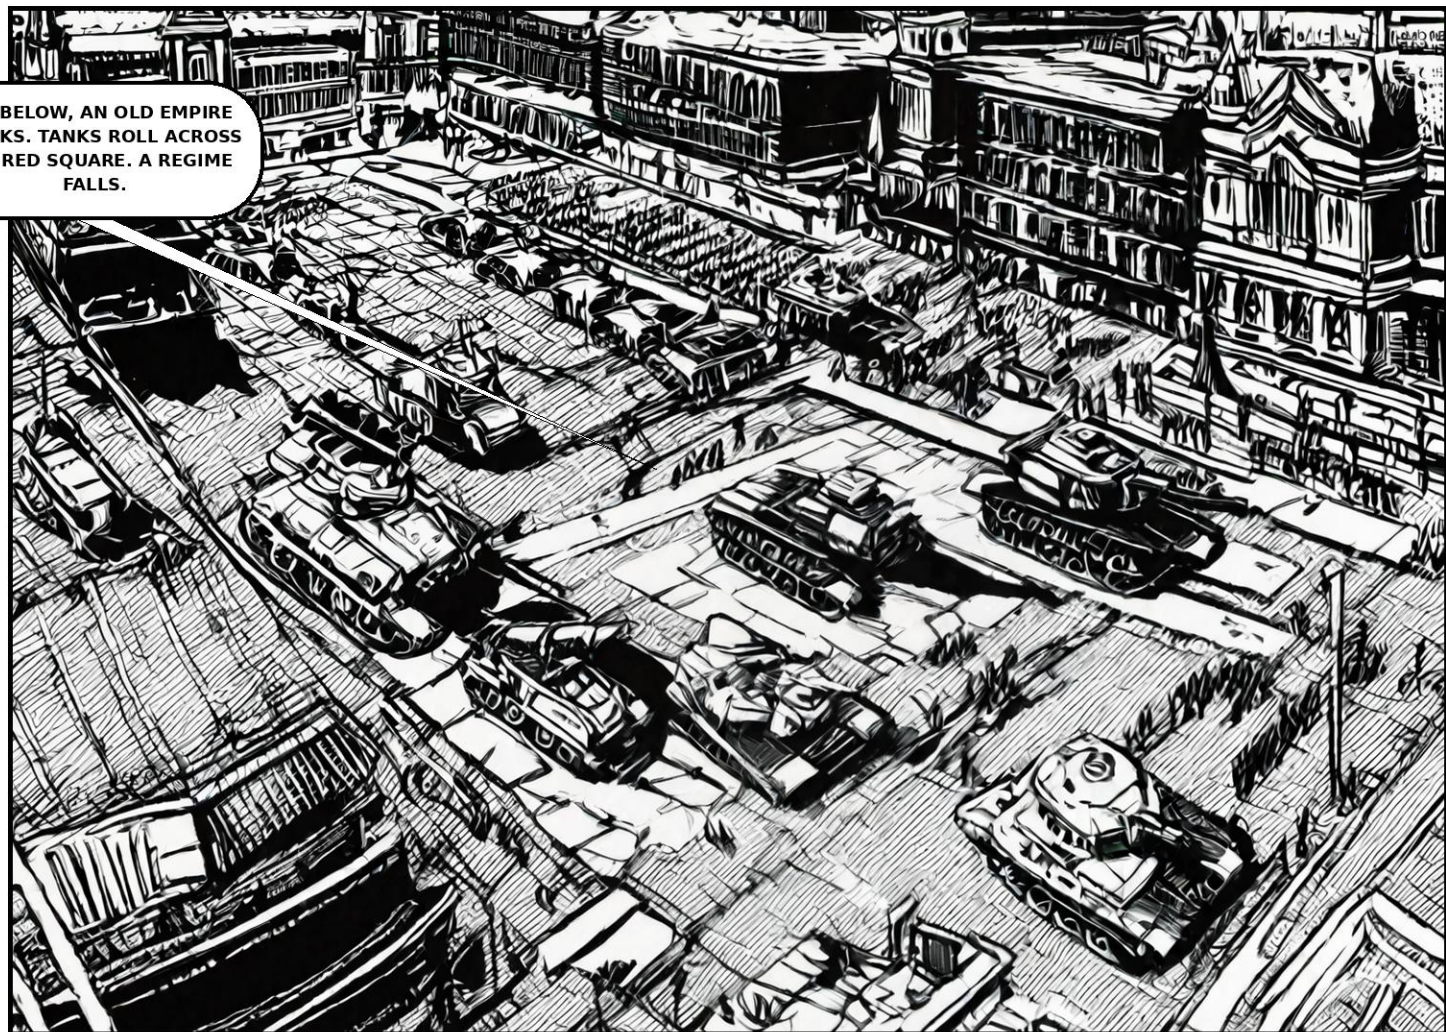

DRAKOR THE DRAGON COILS AROUND FATE. 'OUR KING RETURNS.'

NOCTUA THE OWL READS THE SIGNS. 'THE PROPHECY IS TRUE.'

FAR BELOW, AN OLD EMPIRE  
CRACKS. TANKS ROLL ACROSS  
THE RED SQUARE. A REGIME  
FALLS.

THE GODS LEAN CLOSE. 'THIS  
UPHEAVAL... IT HIDES HIS  
BIRTH.'

AND ON THE INDEPENDENCE  
SQUARE, A YOUNG NATION IS  
BORN IN FIRE.

'HERE! IN THIS LAND THE  
ALPHA-SON IS BORN - THE KING OF  
ELEVEN DIMENSIONS, MASTER OF  
GRAVITY!'

THE ORB SHOWS A SMALL CITY  
IN THE NORTH. A COLD DAWN.  
A HUMBLE STREET.

THE GODS REJOICE - 'THE KING  
OF QUANTUM ENTERS THE  
WORLD!'

TIGRAR THE TIGER STANDS GUARD.  
'NONE SHALL TOUCH THE CHILD.'

FENRAR THE WOLF HOWLS IN JOY.  
'OUR BROTHER WALKS AGAIN!'

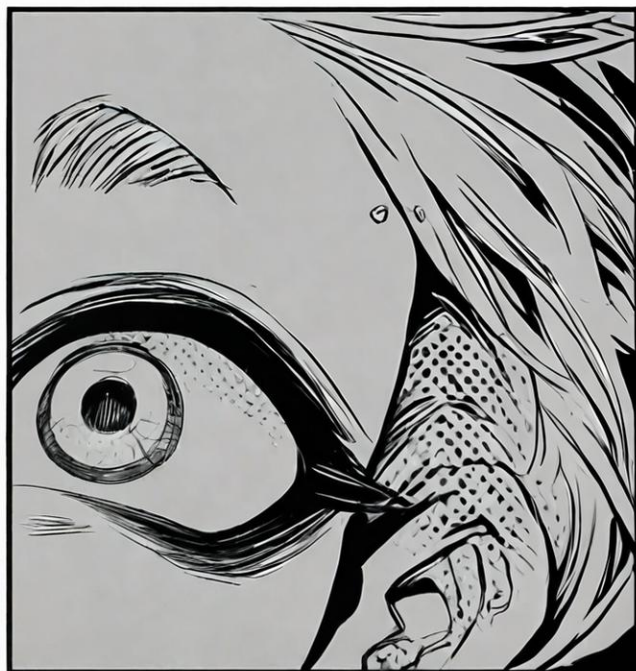

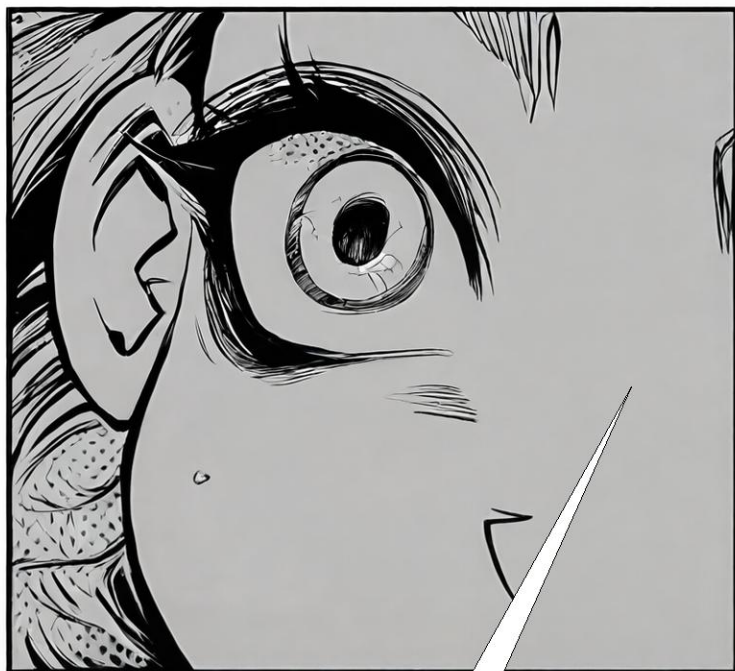

ELEPHAR TRUMPETS THE COMING.  
'LET ALL THE HEAVENS HEAR!'

FENIX BLAZES WITH HOPE. 'FROM  
THE ASHES, A KING RISES!'

IN A SMALL APARTMENT, A  
YOUNG MOTHER HOLDS HER  
NEWBORN SON. THE ALPHA  
HAS COME.

'MY LITTLE ONE... THE WHOLE  
SKY IS WATCHING OVER YOU.'

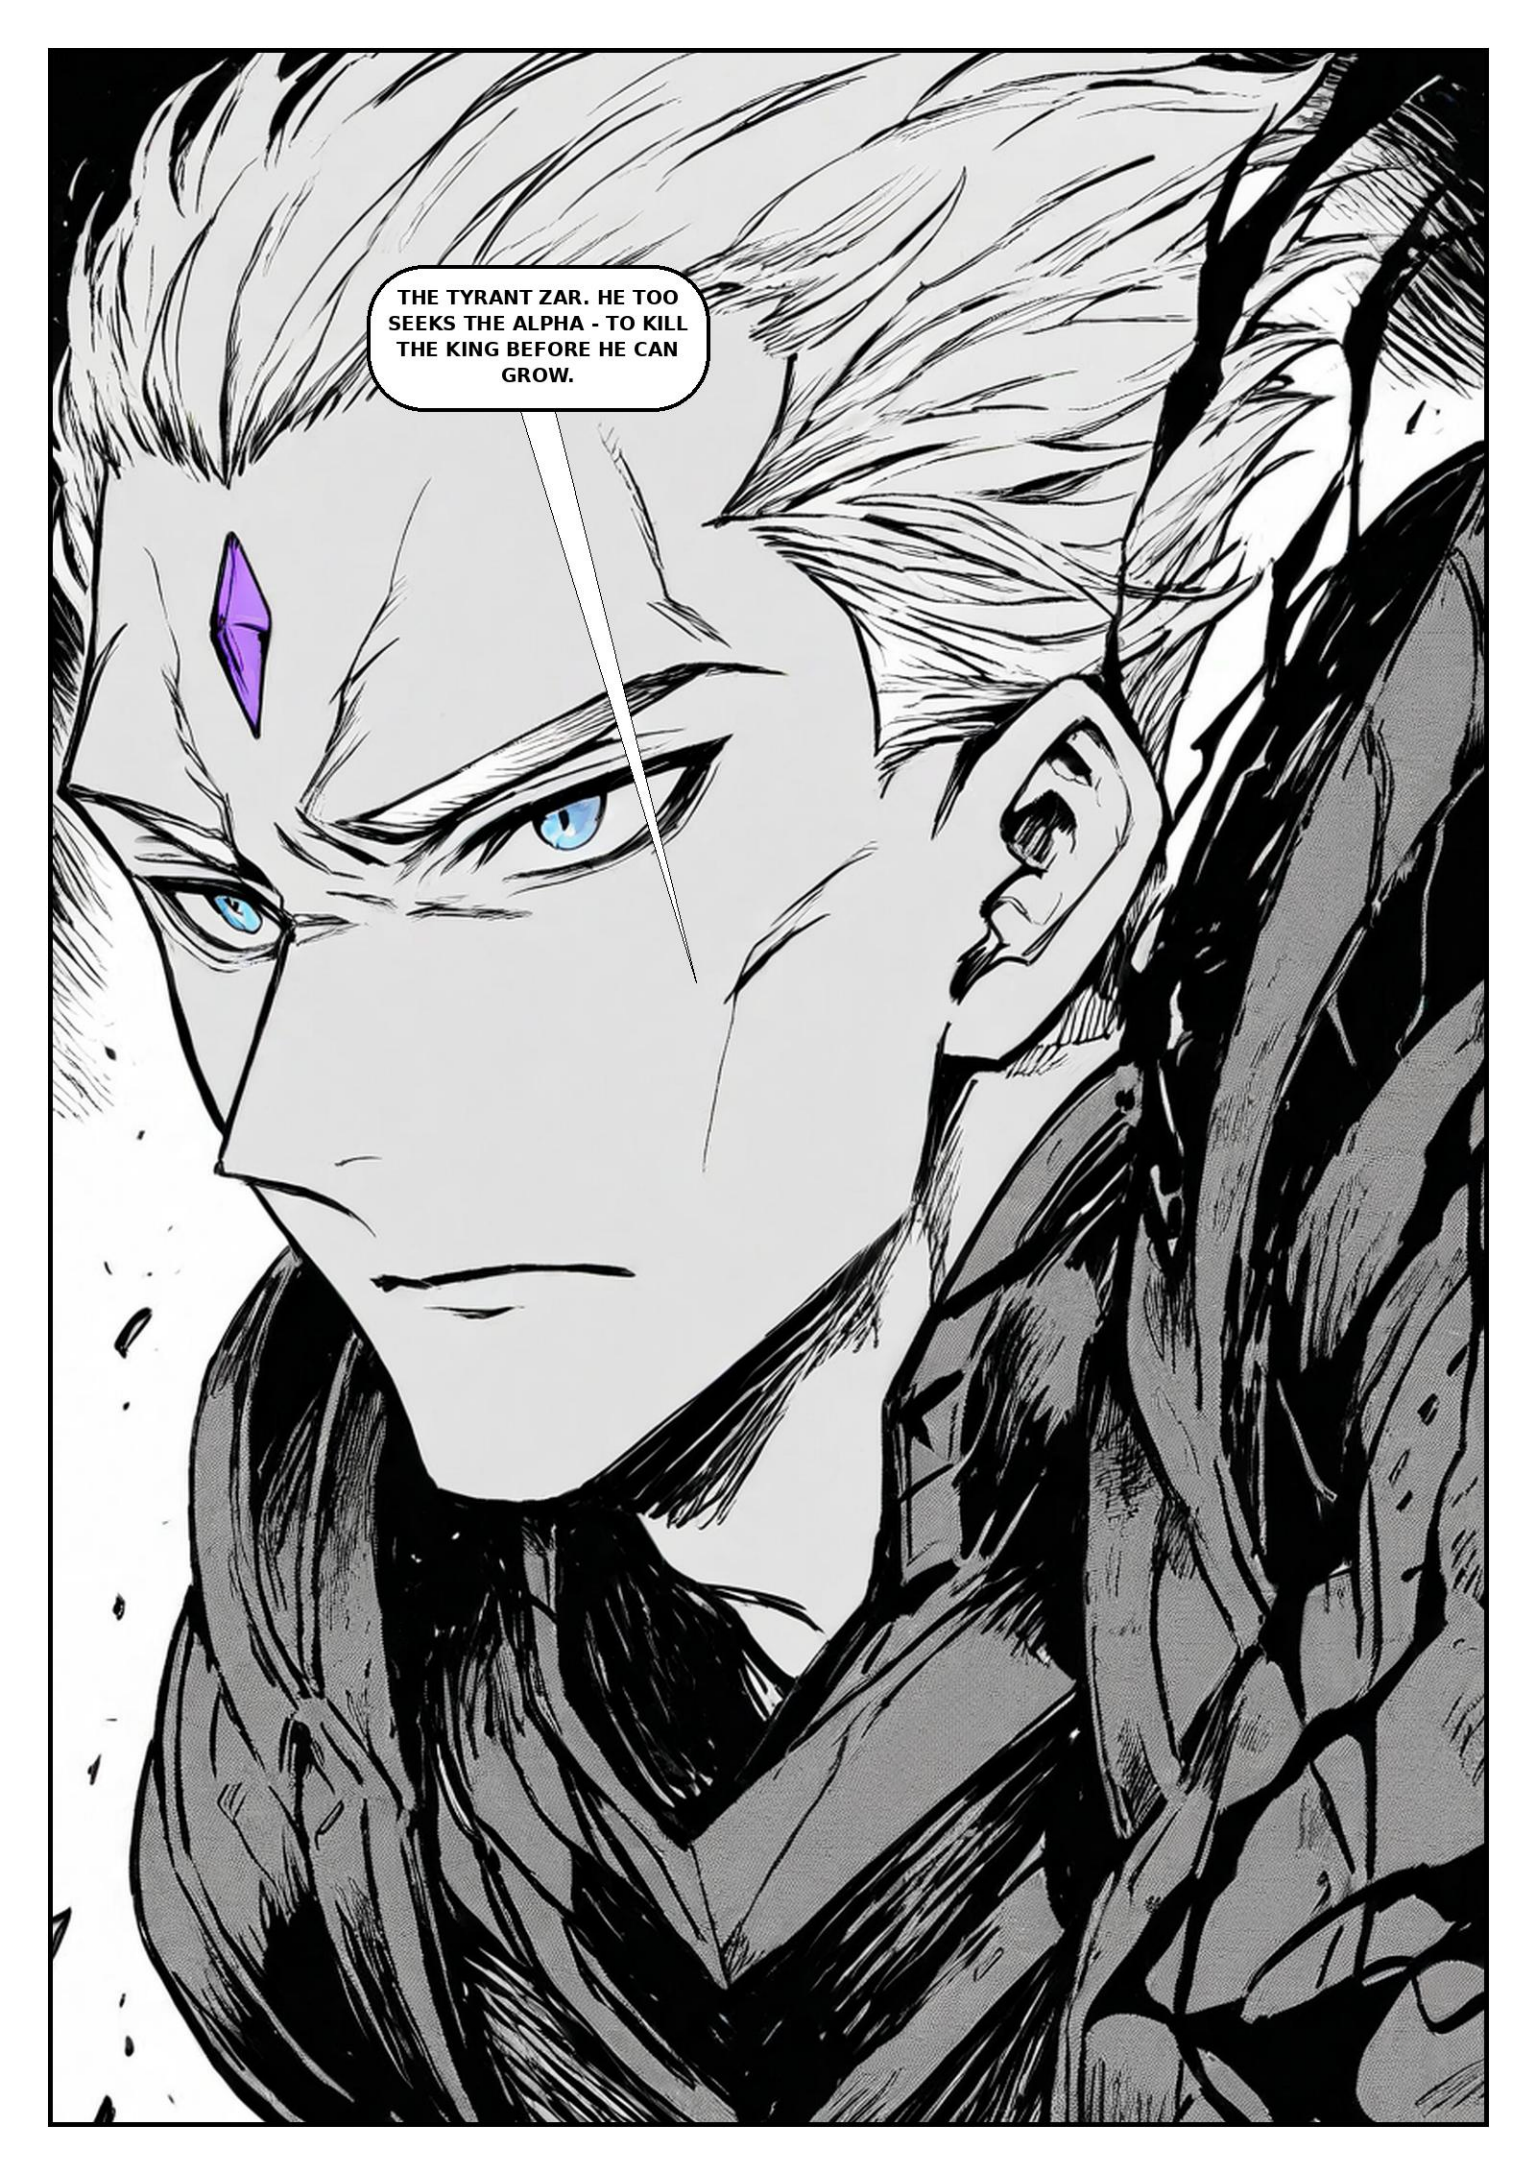

THEN - WITHOUT WARNING  
- DAYLIGHT DIES. A  
SHADOW SWALLOWS THE  
SUN.

ORVAR THE RAVEN SCREAMS AT  
OMEN. 'DANGER! SOMETHING  
ENTERS OUR SKY!'

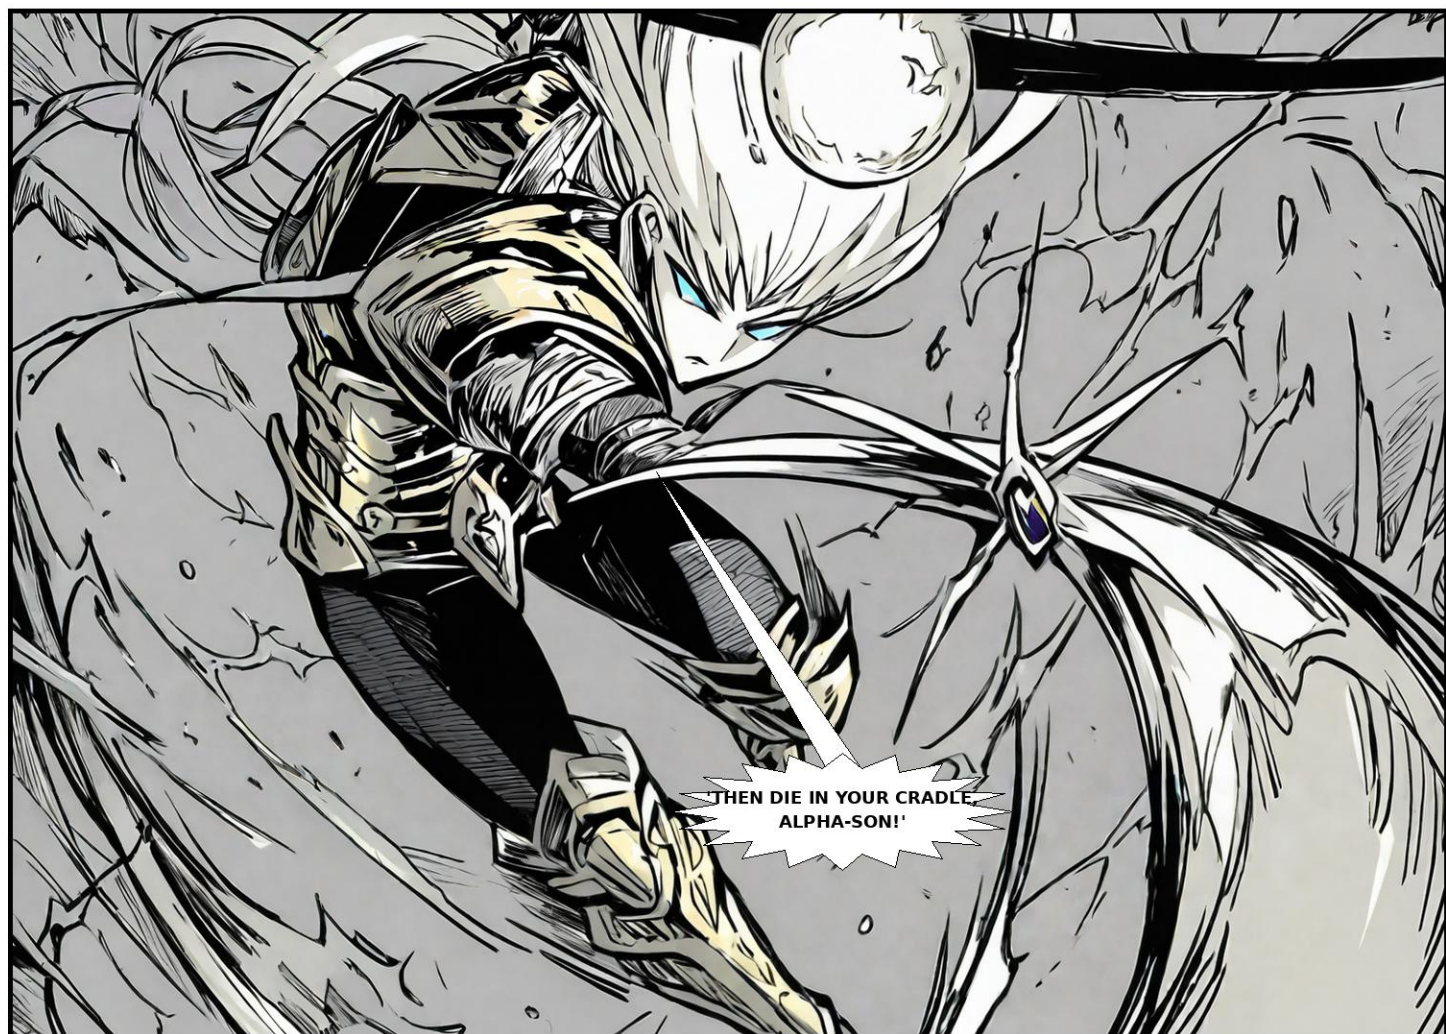

'WHO... WHO DARES STAND IN THE  
HEAVENS UNINVITED?'

THE TYRANT ZAR. HE TOO  
SEEKS THE ALPHA - TO KILL  
THE KING BEFORE HE CAN  
GROW.

SERPENTAR BENDS TIME. 'WE  
CANNOT REACH HIM IN THE  
MORTAL WORLD - WE CAN ONLY  
WATCH!'

'THEN DIE IN YOUR CRADLE,  
ALPHA-SON!'

**BAAM!! 'NOT  
THIS LIFE. NOT  
MY LIFE.'**

THE GODS FREEZE. 'IMPOSSIBLE...'  
HE CAME BACK THROUGH TIME  
TO SAVE HIMSELF?!

'YOU WILL NOT TAKE MY LIFE.  
COME - OUR WAR IS IN ANOTHER  
WORLD.'

THE KING OF  
QUANTUM CAME  
BACK THROUGH TIME  
- AND SAVED HIS  
OWN LIFE. KING OF  
QUANTUM.
